The parties wishing to employ immigrants

When the parties are not personally known to us, it will be nequessary for them to get the certificate of the clergyman in their neighborhood. When that is done, send us an order on their mer to arrange the passage money, with the agents of the vessels, that run from Liverpool to New Orleans, to pay the passages on the arrival of the vessel in port. I will be there to receive them, on their arrival and forward them to the place of destination. The passage from Liver-pool to New Orleans, will be about £5, by sail vessel, and about £8 by steamer, to New Or-leans from Liverpool to Norfolk or Baltimore, will be £65s., and one cent per mile by rail to the place of destination. My charges will be \$10 for one person or \$30 per family. It will take about sixty days from the time orders are sent out, until the immigrants are received at New Orleans, or Norfolk.
